

To Premier Radiology Patients,

Premier Radiology, in compliance with local and state recommendations, has reopened all sites of care. We are continuing to take all necessary precautions to ensure the health and safety of our community, patients and staff. As always, we are committed to providing high-quality care, while balancing our role in preventing the spread of disease and illness. Please see below for a list of site re-openings and further guidelines.

### Our Locations:

To continue to prevent the spread of disease, we are asking all patients to please bring a mask or face covering to wear in our sites of care. If you do not have a mask, one will be provided to you, when available. Our staff will be taking temperatures upon entry to our centers. Please call before your appointment if you develop respiratory symptoms or fever.

Our Belle Meade, Brentwood, Hermitage and Murfreesboro centers are offering Saturday MRI appointments. Screening mammograms will be available at select locations. Our mobile MRI remains operational, following the current Hendersonville and Clarksville Saturday rotation. We will continue to make decisions that prioritize the health and safety of our patients, staff and community. For our patients, we recommend following the Centers for Disease Control's guidelines.

Sincerely,  
Premier Radiology
